October 21st,
2010**

**LEADING CHANGE IN
MUSIC
Education
IN MANITOBA**

**Association of Music Administrators of Manitoba
and Manitoba Music Educators Association
Leadership Conference – October 2010**

TIME SESSION DESCRIPTION

8:30 REGISTRATION AND COFFEE

9:00 Introduction to MMEA Philosophy Statement for Music Education in Manitoba: Janet Brenneman

Seeking a greater connection between our communities of music and our school music programs, the Manitoba Music Educators' Association has developed a philosophical position that can guide the current issues that we face in our profession.

10:20 NUTRITION BREAK

10:40 How Philosophical Statements Influence the Music Education Profession : AMAM team - Choice of;

- a) **How Philosophical Statements can guide the development of Policy Statements**
- b) **Implications and practical applications for the rural classroom**
- c) **Implications and practical applications for the EY music classroom**
- d) **Implications and practical applications for the MY-SY music classroom.**

12:00 LUNCH

1:00 Teaching like beauty matters: Dr. Robert Duke

Teachers who teach beautifully possess a deep understanding of music and of human learning. Much of their understanding may be intuited, perhaps especially the human learning stuff, but it is nevertheless fully learnable by others who aspire to teach beautifully.

2:20 NUTRITION BREAK

2:40 PANEL DISCUSSION: Moderator - Darrin Oehlerking

Idea sharing, reaction, comments and discussion of the day's activities will be the focus of this session. A distinguished group of Music Educators will be synthesizing the day through a panel discussion and Question and Answer time.

4:00 Setting Directions for Music Education: Bill Kristjanson

The ongoing mandate of the Manitoba Music Educators Association and the Association of Music Administrators of Manitoba.

4:30 Conclusion

5:15 Dinner – Maxime's Restaurant, 1131 St. Mary's Road

This important debriefing time is included in the registration fee.
